

## BECOME A SPONSOR OF THE 2015 EASTMOOR POOL AND SWIM TEAM

---

Eastmoor South Recreation Park  
735 Eastmoor Blvd  
Columbus OH 43209  
(614) 231-3313  
Eastmoorpool.com

Celebrating its 59<sup>th</sup> year, the Eastmoor Swordfish Swim Team is looking for sponsors to support its 2015 summer season. Last season was a very successful one, with our Varsity again taking the league championship and the Junior Varsity as the runner up in the division. Our swim team consists of over 100 children, ages 6 to 18 years of age.

The Swordfish Team offers the children of the Eastmoor Pool the opportunity to develop and enhance their own swimming abilities, learn the importance of teamwork and sportsmanship, and participate in a sport they love. The Eastmoor Pool Swim Team is an active member of the Suburban East Swim League (SESL), along with Hilltop, Hunter's Ridge (Gahanna), Foxboro (Gahanna), New Albany Links, and London.

Sponsoring the Eastmoor Swordfish Swim Team is a great way for your business to get its name in front of not only our 100 team members, but also other SESL teams at our dual meet competitions, along with all of the swimmers' families and spectators at our pool for home meets. Our swimmers and families are your customers and neighbors, making this a perfect match for promoting your business, gaining exposure into a new market, or solidifying your spot as a company that cares.

We hope you will consider partnering with the Swordfish this season. Several ways to support the team are listed below, or we can create a custom sponsorship for you. Your contribution is fully deductible to the extent allowed as the Eastmoor Pool Swim Team is a not for profit 501(c)7 organization. For more information, you may contact Andrea Pearson at (614)327-4686 or [apearsonohio@yahoo.com](mailto:apearsonohio@yahoo.com).

Thank you so much. Sincerely,

Eastmoor Pool and 2015 Swim Team Members

## BECOME A SPONSOR OF THE 2015 EASTMOOR POOL AND SWIM TEAM

### Exclusive Sponsorship Levels

### Benefits of Exclusive Sponsorship (only ONE of each available)
